

SEQUENCE BRACELETS

Materials list

For the sequence bracelet you will require:

- 44 coloured round beads in four different colours: red, yellow, green and blue.
- 2 pieces of elastic approximately 30 cm long.

Ensure that you have a large quantity of the four types of coloured beads; different sequences use different quantities of the four colours.

Approximate start up cost of materials:

Beads: £40 for 4,000 beads (1,000 of each colour)

Makes around 90 bracelets

Price includes VAT.

Available from suppliers such as: www.craftbits.co.uk/

(This is not an endorsement; other suppliers are available)

Elastic thread: £8.90 per 100 metres

Makes around 160 bracelets

Price includes VAT.

Available from suppliers such as:

www.mailorder-beads.co.uk/elastic-thread.html

(This is not an endorsement; other suppliers are available).

Approximate cost per bracelet: 49p

Price does not include delivery costs.
